

A rough sketch is always helpful to indicate obstructions.

### Go Online

For loft grabrails and balustrades.

### D Premium two section loft ladder

- Robust 2 section ladders with thick aluminium extrusions. • Large slip-resistant treads, W x D: 385 x 90mm. • Raised and lowered by spring assisted radius arms. • Supplied with one handrail, operating pole and fixings. • Additional handrails available. • Made in UK.
- N.B: Trap door not included.

**NB. Required dimensions quoted are those for the minimum useable loft opening size. As the loft opening size increases, these requirements lessen. For further assistance ring the helpline on 0800 294 4440.**

| Loft ladder |                         |                          |                                    |                              |              | Extra handrail |              |
