Ladders & Steps

A Shallow slope extra wide tread mobile steps

- 48° stair angle allows the user to face outwards for a safer, more natural descent.
- Platform W x D: 800 x 400mm (460mm depth, 10 tread and above).
- Fitted with lever operated retractable castors and a safety bar that prevents access when in the mobile position.
- 6 step and above require self-assembly.
- NB: When specifying the correct size, the optimum operator working height is 1.5m above the platform height.
- Extra wide expanded mesh treads - 750mm wide x 180mm deep.
- Finish - epoxy powder coated blue.
- Reinforced handrails.
- UK made.
- 3 year guarantee.

Design No.	No. of treads inc. platform	Platform height mm	Overall size H x W x D mm	Weight kg	Price £ each

B Shallow slope mobile work platforms

- Shallower gradient, 48° steps for a safe forward facing exit.
- Large working top platform, 800mm (W) x 1200mm (L).
- Removable platform chains for access.
- NB: When specifying the correct size, the optimum operator working height is 1.5m above the platform height.
- Extra wide expanded steel treads, 750mm (W) x 180mm (D).
- Fitted with lever operated retractable castors, and a safety bar to deter access to steps when in the mobile position.
- UK made.
- 3 year guarantee.
- Available in epoxy powder coated blue or galvanised steel.

No. of steps	Platform height mm	Overall dimensions H x W x D mm	Blue		Galvanised	
			Design No.	Price £ each	Design No.	Price £ each

NB: Due to the large footprint of these mobile steps and platforms, delivery to some postcodes may incur extra charges.

Information

Please check your measurements - select a platform height 1.5m below the working height. Returned steps may incur an additional re-stocking charge.
