'Access barred' central lever brake

PVC treads

A quality warehouse step at an excellent price

Industrial warehouse mobile steps

- Strong, fully welded 25mm tubular steel frame.
- Independently tested to 300kg capacity.
- 550mm wide treads. • Platform size 550 x 400mm with toe boards.
- Braking system incorporates a "no access" handle when unbraked.
- Outboard wheels for greater stability.
- Blue as standard - red available to special order.
- Painted metal or slip resistant PVC treads. • Made in UK.

Information

Please check your measurements - select a platform height 1.5m below the working height. Returned steps may incur an additional re-stocking charge.

Choice of punched metal or PVC treads

No. of treads	Platform height mm	Overall H x W x L mm	Tread type Metal		PVC	
			Design No.	Price £ each	Design No.	Price £ each
5	1250	2250 x 850 x 1270	385943DV1	329.00	385944DV1	336.00
