D Industrial pallet box with 3 runners

- Manufactured from virgin food grade HDPE, with the addition of structural foam.
- UN approved for the storage and transportation of dangerous goods.
- One piece moulding makes the box more secure on forklift tines.
- 10mm feet thickness provides resilience drops and impacts.
- Reinforced walls, smooth on the inside to assist emptying and cleaning.
- Integrated locking corners for secure stacking.
- 610L capacity.
- Safe stacking to 5 high with a 700kg load capacity.
- Temperature range: -30 °C to +40 °C.
- External H x W x L: 740 x 1000 x 1200 mm.
- Lids available separately.

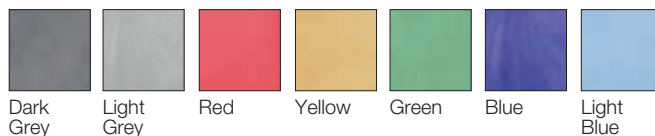

Integrated stacking corners

Smooth interior walls
