

**B BusyScreen® classic floor partition screens**

- Display, divide and partition with one standard product. • A flexible screen that can also be used for displays due its ability to accept pins.
- Screens are 32mm thick which provides an excellent acoustic shadow. • Each screen is supplied with a pair of stabilising feet, height adjustable button feet and one flexible linking strip for joining screens together. • Panels are supplied with black trim (other colour trim available on request).
- Made with woven cloth which is a traditional, hardwearing material. • Edge colour: black.
- More colours, curved screens and material types available online.
- **N.B: Made to order (non-returnable).**
