### E Inboard garment racking

- High quality garment racking unit with 2 or 3 inboard hanging rails.
- The inboard configuration retains the clothing within the rack - therefore minimising the overhang of garments into the aisle.
- Rails are height adjustable.
- 25mm garment rail with 50kg capacity (UDL).
- Outboard rails are also included to complete the framework of the unit, these can be used for extra storage if required.
- Simple bolt-less assembly.
- Floor fixing feet included.
- Add on bays available by request.
