C Double sided mobile access platforms

- Ideal for access to mezzanine floors and servicing large plant machinery.
- Two step options: 'standard' 54° angle for confined areas, and shallow slope' 48° angle for ease of use. • Large platform W x D: 800 x 1700mm.
- Extra wide treads W x D: 750 x 182mm. • 300kg capacity.
- Steel mesh treads and platform.
- Fitted with lever operated retractable castors, and safety bar to prevent access whilst deployed.
- Supplied with a fixed handrail at the end of the platform, and 1 hook-on platform handrail (additional hook-on handrails available).
- Platform extensions bridge the gap between platform and access area.
- Made in UK. • 3 year guarantee.
