Your Guide...

...to choosing bin bags

- At Slingsby we know how important it is to purchase your bin and have the correct bag/sack to fit your bin too.
- It's not always as easy as buying the same capacity bin bag as the capacity of your bin. It all comes down to the size and shape of your bin... we can help!
- Here at Slingsby we have taken out the guess work and created below a handy table. You will see throughout the catalogue the capacity logo's positioned next to each bin to help advise which choice of bags and sacks are available for that particular bin.
- The table below will then advise weight, size, box quantity, price and design number.
- It's as simple as that.
- If you are still unable to find what you are looking for, then please give us a call on 1850 200 633, we can help.
