F Cordless stick pet vac

- The vacuum comes equipped with a flexible tube that allows you to vacuum under furniture and clean other hard-to-reach areas around the home.
- An easily accessible button allows you to bend and straighten the tube as you clean, without having to manoeuvre or lift heavy furniture.
- In AUTO mode the sensors detect the amount of dust and debris travelling through the tube and then automatically adjusts the amount of power required.
- LED display control panel that provides an alert where there are blockages or required maintenance.
- The HEPA filtration system helps to remove allergens.
