M P-Wave outdoor control system

- UK's most aromatic air fresheners. • Wide range of fragrances, eco-friendly ethos: recyclable, aerosol-free, low VOC. • Releases odour controlling bacteria and fragrance over 30 days. • Easy to install and replace. • 100% recyclable.

P-wave air fresheners and urinal screens

- P-wave urinal screens** offer up to 5 times more fragrance than competing urinal screens and can be used in standard and waterless urinals. They are low in volatile organic compounds and release billions of odour controlling bacteria and fragrance over a 30 day period. The surface protrusions reduce splashback by up to 70%.
