

# Waste & Recycling

**A** With castors

**A** Without castors

## **A** Automatic dumping skip

- Automatically empties to avoid handling of potentially hazardous waste.
- Ideal for industries such as printers, engineering workshops, bottling halls etc.
- To empty simply lift the container over the side of the skip and lower onto the skip edge this automatically unlocks the base and then as you lift, the contents will discharge.
- When empty lower the container back onto the skip edge, this will lock the base and it is ready for re-use.
- Other colours available on request.

**N.B. Purpose built for the safe and automatic discharge of waste such as scrap, rubble, glass, industrial waste etc.**

### With castors

Design No.	H x W x L mm	Capacity m <sup>3</sup>	Max load kg	Price £ each
314914DV1	1080 x 1050 x 1690	1.5	1500	1550.00
314915DV1	1080 x 1050 x 2000	2	1500	1769.99

### Without castors

Design No.	H x W x L mm	Capacity m <sup>3</sup>	Max load kg	Price £ each
314917DV1	920 x 870 x 1020	0.5	1000	1040.00
314912DV1	1050 x 1050 x 1320	1	1250	1199.99
