E Webbing slings

- 100% polyester construction. • High strength/weight ratio.
- Reinforced eyes. • Temp. range -40°C to +180°C.
- 7:1 safety factor. • Colour coded to indicate capacity.
- Individually labelled with unique serial number, length, date of manufacture and safety information. • CE marked.
- Steel end fittings are available for basket and choker hitch lifts.

Duplex strops

- The Duplex strop is the most cost effective sling with double ply webbing, offering the most economic width to strength ratio.

Sling colour code	SWL T (straight lift)	Webbing width mm	2 metre length		+ or - extra metre	
			Code	Price £ each	Code	Price £ metre
Violet	1	50	314641DX8	20.99	314642DX8	7.99
Green	2	60	314643DX8	30.99	314644DX8	13.00
Yellow	3	90	314645DX8	42.49	314646DX8	15.49
Grey	4	120	314647DX8	63.00	314648DX8	19.00
Red	5	150	314649DX8	68.99	314650DX8	24.49
Blue	8	240	314651DX8	162.00	314652DX8	55.99

Simplex strops

- The Simplex strop with single ply webbing is twice the width of the equivalent capacity Duplex sling (except 1 tonne), offering extra grip and support for larger lifting operations such as pipes, concrete segments and steel structures.

Sling colour code	SWL T (straight lift)	Webbing width mm	2 metre length		+ or - extra metre	
			Code	Price £ each	Code	Price £ metre
Violet	1	50	328796DX8	39.49	328797DX8	7.49
Green	2	120	328798DX8	46.49	328799DX8	10.99
Yellow	3	180	328800DX8	71.49	328801DX8	16.49
