

Storage & Shelving IBC Storage, COSHH & Hazardous Storage

260L

A Chemstor secure store

- Base is manufactured from mild steel sheet.
- Back, sides & door panels are pressed from corrugated mild steel sheet.
- The roof is fitted with suitable bracing.
- Double, hinged lockable (keyed handle) doors.
- High and low level louvre vents fitted with flame arrestor mesh.
- Single full length and depth shelf and a fully seam welded sump with galvanised steel grid mesh panels.
- The underside is fitted with forklift transport hoops which eliminates contact with ground, reducing corrosion.
- Prior to painting the unit is fully shot blasted to provide a clean and keyed surface.
- This model can hold up to 20 x 25 Litre cans.
- External dimensions H x W x L: 1633 x 750 x 1500mm.
- Load capacity per shelf: 250 KG.
- Sump capacity: 260 Litres.
