C Express hazardous substance storage cabinets

- No snag handles with 2-point locking.
- UK made.
- Adjustable spill-retaining galvanized shelves for superior spill management.
- Integral liquid-tight sump encourages the correct handling of spills through the use of absorbents.
- Supplied with 1 x shelf (1800mm high include 3 shelves).
- 500mm stands increase accessibility to cabinets, raising them above potential contaminated flooring.
- **NB extra shelves when ordered separately will incur a carriage charge.**
