D P-wave air fresheners and urinal screens

- Includes a 'Clock system' date tab which acts as a reminder to remove and replace.
- **P-wave air fresheners** offer 50 x more fragrance than a standard toilet stick and can be placed on doors, bins, desks, walls, toilets, cars, etc. using the included self-adhesive plastic holder. 100% recyclable plastic and will not dissolve in or pollute water. Each pack includes 2 x holders.
- **P-wave urinal screens** offer up to 5 times more fragrance than competing urinal screens and can be used in standard and waterless urinals. They are low in volatile organic compounds and release billions of odour controlling bacteria and fragrance over a 30 day period. The surface protusions reduce splashback by up to 70%.
