

Workshop & Maintenance Workbenches – Heavy Duty

A Heavy duty mobile workbenches

- Steel angle construction with braced galvanised steel worktop. • Fully welded and ready for use. • Corner legs give maximum stability when in use with wheels retracted. • Simple lever mechanism takes weight off the legs onto the castors enabling easy movement.
- Includes bottom shelf, single cupboard and vice plate welded underneath front right-hand. • Lockable cupboard: 600 x 600mm x bench depth.
- Colour: Sapphire blue. • Capacity: 1000kg static, 360kg mobile. • Made in the UK.
