

# Safety & Security Speed Bumps & Ramps

## A 5mph and 10mph rubber modular speed ramps

- 100% recycled high density rubber.
- Quick to install and relocate.
- High visibility yellow sections and contrasting black sections.
- Reflective chevrons on both sides of the ramp.
- Anti-slip textured surface.
- Universal fixings for tarmac and concrete supplied.
- Two end sections can be used to create circular speed bumps.
- Choice of 5 and 10mph ramps.

Total length mm	5mph H x D 75 x 400mm Code	Price £ per kit	10mph H x D 50 x 550mm Code	Price £ per kit
2000	400182DX8	164.00	400191DX8	149.00
2500	400183DX8	205.00	400192DX8	191.00
3000	400184DX8	246.00	400193DX8	232.00
3500	400185DX8	287.00	400194DX8	263.00
4000	400186DX8	329.00	400195DX8	294.00
4500	400187DX8	370.00	400196DX8	314.00
5000	400188DX8	411.00	400197DX8	345.00
5500	400189DX8	452.00	400198DX8	376.00
6000	400190DX8	493.00	400199DX8	417.00

## B 10mph and 15mph PVC modular speed ramps

- Enables traffic calming when required.
- Heavy duty recyclable PVC.
- Bolt to floor fixing.
- Supplied with built in cats eyes.
- Chequered pattern for extra grip.
- Choice of 10 and 15mph ramps.

Total length mm	10mph H x D 75 x 465mm Code	Price £ per kit	15mph H x D 50 x 425mm Code	Price £ per kit
1920	429226DX8	116.00	429217DX8	108.00
2420	429227DX8	143.00	429218DX8	136.00
2920	429228DX8	169.00	429219DX8	157.00

5920	429234DX8	329.00	429225DX8	304.00

## C 15mph Modular speed ramps

- Manufactured from recycled plastics.
- Quick to install and relocate.
- Contrasting yellow and black sections for improved visibility.
- Fixings included.
- Two end sections can be used to create circular speed bumps.
- REACH compliant.

Code	Description	Colour	L x D x H mm	Price £ each
399892DX8	Middle section	Black	500 x 500 x 30	34.99
399893DX8	Middle section	Yellow	500 x 500 x 30	34.99
399894DX8	End section	Yellow	500 x 250 x 30	21.49

## D 5mph and 10mph extra deep comfort speed ramps

- More comfortable crossing for vehicles without sacrificing speed reduction.
- Wide design reduces the ramp angle.
- Recycled rubber.
- REACH compliant.
- Reflective yellow markings for improved day and night visibility.
- Textured surface gives greater grip, even in wet conditions.
- Suitable for HGVs.
- Easy to install.
- Depth - 900mm.
- Height - 75mm (5mph) / 50mm (10mph).

Description	Length mm	10mph Code	Price £ each	5mph Code	Price £ each
Main section	500	405512DX8	129.00	405513DX8	161.00
End section - Male	450	405514DX8	80.99	405515DX8	82.99
End section - Female	450	405516DX8	80.99	405517DX8	82.99
