300 KG

### B Double sided mobile access platforms

- Ideal access to mezzanine floors and for servicing large plant machinery.
- Platform extensions bridge the gap between platform and access area.
- Large platform: W800 x D1700mm.
- Steel mesh treads and platform.
- Two step options: 'standard' 54° angle for confined areas, and shallow slope' 48° angle for ease of use.
- Extra wide treads: W750 x D182mm.
- Lever operated retractable castors and safety bar to prevent access whilst deployed.
- Fixed handrail at platform end and 1 hook-on platform handrail (additional hook-on handrails available).
- Capacity:300kg.
- 3 year guarantee.
- Made in the UK.
