

Your Guide...

...to bin bags, liners & waste sacks

- At Slingsby we know how important it is to know the correct bag/sack size to fit your new bin. It's not always as easy as buying the same capacity bin bag as the capacity of your bin.
- Here at Slingsby, we've taken out the guess work and created the below handy table. Look out for the capacity logos, which are positioned next to each bin to help advise which choice of bin bags and sacks are an ideal fit. The table below will then advise the weight, size, box quantity and price options. If you're still unable to find what you're looking for, then please give us a call on 0800 294 4440.
