## Contemporary office bench desking

- Modern style desking allows you to create bespoke configurations to suit your office space.
- Add on desks available to extend starter desks.
- Desk height: 725mm.
- Typically used in offices and call centres.
- Extended sturdy steel framework and 25mm bench tops.
- Scalloped cut outs in the desk tops allow cables to pass through the optional cable tray and risers.
- White frame.
- Available in more configurations, top finishes and frame colours online.
- Desk divider protection screens are available online.

### A Double back to back desk

- Four straight desks in a double back to back bench configuration.
