Permanent road signs

These Road Signs conform to the Traffic Signs Regulations and General Directions 2002 and BS EN 12899-1:2001 (which has replaced BS873 Parts 5 and 6). Manufactured from Aluminum composite which provides excellent strength and durability. High intensity Class Ref 2 facing suitable for public highways. Available to purchase with or without channel. Fixing supplied separately for signs with channels. Signs purchased without channels can be screwed, attached with adhesive or inserted in a frame. Extended range of signs, sizes and frames are available online.
