

A Portable water activated expanding sandbags

- Alternative to traditional sandbags. • Protect from flash floods, storms and accidental water damage. • Changes from as light as a pillowcase (200g/7oz) to as heavy and secure as a sandbag (20kg/44lbs) within a few minutes. • Deploy in minutes and mould into a doorway, cover airbricks or use to build walls. • Lightweight and suitable for use by anyone. • Vacuum packed for easy storage and quick access. • 96% bio-degradable by weight. • Bag - W x L x H - 480 x 560 x 30mm.

Code	Qty	Price £ per pack
389211DX8	5 bags	36.99
389210DX8	20 bags	124.00

C Water activated flood barrier

- Inflates in minutes on contact with water and forms a leak-proof, water tight barrier against most surfaces.
- Stack to create increased height barriers or curve around obstacles.
- Manufactured in the UK from 50% reclaimed materials.
- Easy to store. • H x D - 100 x 210mm.

Code	Length	Absorbant capacity	Price £ each	Price £ each 2+
415365DX8	1.5m	15 litres	19.99	16.99
415366DX8	3.0m	30 litres	22.99	19.99

E Boxwall reusable modular plastic flood barrier

- Diverts flood water away from important buildings or land.
- Lightweight and quick to deploy. • Modular, strong polypropylene design can navigate curves and corners. • Rubber on base prevents water ingress. • Self anchoring. • Stackable to store.
- Suitable for use on any flat, hard even surface.
- 3 x curved sections are required to form a 90° corner.

Code	Section type	H x W x L mm	Price £ each 1-2	Price £ each 3+
425489DX8	Straight	530 x 680 x 980	195.00	185.00
425490DX8	Inward corner	530 x 680 x 540/210	195.00	185.00
425491DX8	Outward corner	530 x 680 x 650/340	195.00	185.00

B Portable water activated expanding flood cubes

- Alternative to traditional sandbags.
- Protection against flash floods, storms and accidental water damage.
- Lightweight (0.33kg) and quick to deploy.
- 20kg weight once activated (3-5 minutes).
- Carry handles to ease movement.
- Build walled barriers up to 1.2m high.
- H x W x L - 30 x 360 x 400 (flat) / 150 x 360 x 400mm (activated).

Code	Pack quantity	Price £ per pack
425486DX8	4	31.99
425487DX8	20	139.00
425488DX8	40	269.00

D Witches hat drain cover guard

- Prevents debris enter into the drain system, catching larger items and floatables e.g. leaves, cigarette butts and paper goods.
- Quick and easy to install. • Trim excess fabric if required.
- Avoids the cost of pumping to clear blockages.

Code	Price £ each
427218DX8	61.99

F Dam Easy expandable flood barrier gate

- Alternative to sandbags.
- Demountable barrier.
- No tools or fixings required.
- Install in under 5 minutes - simply place into position and inflate to fit the opening providing a watertight seal.
- Protects openings between 780-1100mm (711mm high).
- Connect two barriers using the extension pole (protects an opening of 1680-2300mm) or three barriers with two extension poles (protects an opening of 2580-3300mm).
- Barrier H x W x D: 780 x 720 x 50mm.
- Extension pole and security cover sold separately.

Code	Description	Price £ each
425945DX8	Flood barrier	579.00
425946DX8	Extension pole	265.00
425947DX8	Security cover	48.99
