428886DZ1	25L heat sealed bag	96.75

E 75L mobile spill response bin

- Ideal for reaching smaller paths or difficult to access areas.
- Slanted design for water run-off.
- Perfect for transporting loose absorbents.
- Lid secures in vertical position for loading/dispensing.
- Weather resistant rubber seal and toggle latch (padlock not included).
- Robust rubber wheels and ergonomic handle for push or pull.
- Stackable for easy storage.
- 100% recyclable chemically resistant polyethylene.
- Capacity: 75L.
- Weight: 11kg.
- H1070 x W590 x D435mm.

Code	Price £ each
388946DZ1	129.00

F Spill response sorbent socks

- Fit around base of machinery and prevent spread of leaks.
- Strong wicking action draws liquid in, no manpower required.
- Contain pooled liquid, reduces risk to sensitive areas e.g. drains.
- Keeps oil and coolant away from walkways and high traffic areas.
