

Storage & Shelving Shelving

A Painted steel rivet shelving - up to 250kg

- Anthracite grey painted metal shelving with an innovative corner rivet based system.
- Riveted technology offers quick and easy installation.
- The lack of bolts prevents the shelving from deteriorating over time.
- This system offers maximum space utilisation.
- Height adjustable shelves offering up to 250kg loading capacity per shelf (uniformly distributed load).
- 5mm thickness HDF fibreboards are more resistant to humidity.
- Units can be assembled horizontally as a workbench and combined with other shelving units.
