

Storage & Shelving

Storage Boxes & Containers

A Multi purpose container with stacking rails

- A reusable multi purpose container which can be used for storage, transportation and picking of goods.
- High durability and robust design.
- Transparent container body means content is visible.
- Containers stack securely on red hinged stacking rails.
- Nesting empty bins saves up to 75% on volume.
- Container is temperature resistant within a range of -20 to +80°C.

Up to
58L
