

Waste & Recycling Outdoor Recycling & Litter Bins

A 140L Outdoor recycling bin store

- Outdoor bin stores constructed from weather resistant 100% recyclable polyethylene.
- Compatible with 140L and 240L wheelie bins.
- Patented honeycomb double wall structure with dimpled surface to deter fly posters.
- Slam shut door with four latch points and heavy duty tamper proof lock to prevent unauthorised access.
- Front opening design allows easy access to empty waste.
- Designed with WRAP compliant colour coded aperture with matching graphics.
- Easy to clean and maintain.
- Suitable for internal and external use.
