

E P50 fluorine free foam service-free fire extinguishers

- Service-free units that do not require servicing annually by a trained engineer, only an annual visual inspection is required.
- Kitemarked to BS EN3, the foam in these extinguishers is free from harmful PFAS chemicals found in traditional AFFF foam, making them a more environmental choice.
 - Save over 50% on your extinguisher servicing and maintenance costs.
- Capacity 6 litres.
- 10 year guarantee and a 20-year lifespan (refurbishment required after 10 years).
