

Matting & Flooring

Forklift / Walkway Matting

A Highly absorbent heavy duty forklift mat

- Waffle pattern efficiently absorbs moisture and scrapes dirt from wheels. • Lowers the risk of forklift accidents - less skidding on wet floors.
- Reduces the amount of dirt brought into the workplace.
- Easy to install, with double-sided tape or spray adhesive(available separately). • Cleaned with a vacuum or stiff brush.
- Polypropylene fibres, with a rubber backing.
- Thickness 10mm.

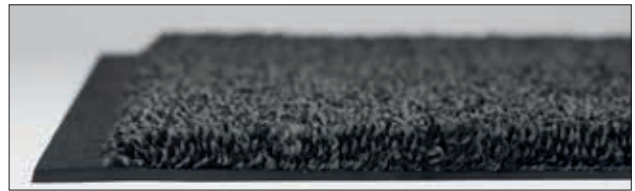

Code	Description	Price € Each
417009RN6	Mat, 1.15 x 1.8m	208.00

B Heavy duty wheel cleaning forklift mat

- Remove dirt and moisture from wheeled traffic tyres as they enter the building.
- Twisted fabric pile; brushes and wipes dirt and moisture off the wheels allowing more fluid to be removed and stored in the mat. • Tougher and thicker than a standard door mat. Holds approx 1.75 times more dirt and 1.5 times more fluid. • Helps reduce the risk of slips, trips and falls due to wet floors. • Double layered nitrile rubber backing for extra strength. Resistant to oil and grease.
- Brush or vacuum regularly. Pressure wash if needed.
- Suited to regular forklift truck activity. Sharp turns on the matting are not recommended.
