

D Counter balanced cranes

- Compact crane which is ideal for use where lifting is required in confined areas.
- Allows operator freedom to work close to a machine without fouling floor obstructions.
- Container for holding ballast (not supplied) with each crane.
- Tested to 25% overload and supplied with test certificate.
- Mounted on two fixed and two swivel polyurethane tyred castors, except for 326000RN6 & 326001RN6 which are nylon.
- 325993RN6 - both swivel castors fitted with brakes.
- 326000RN6, 326001RN6, 326002RN6 & 325992RN6 - have floor lock fitted to underside of crane.
