B Self-adhesive label holders

- Self-adhesive label holders offer a long term option and more stability in environments where the labels need to be changed frequently.
- The smaller holders are ideal for the identification of pigeon holes, whilst the larger holders suit environments such as offices, libraries and schools.
- Easy to update.
- Self-adhesive holders are white.
- Complete with a white card insert and clear PVC cover strip.
- Label holders can be cut to your specific size.
