NB: For use in aisles up to 800mm wide only. Wider steps should be used whenever possible for greater stability.

NB: Please check your measurements - select a platform height 1.5m below the working height you require. Made to your order, non-returnable.

Metal treads

Information

Please note: these steps are only intended for aisles up to 800mm wide, as they are not as stable as wider steps. Wider steps should be used whenever possible.
