Starter bay comprising 2 frames and 3 chipboard shelf levels

450KG
per shelf

B Boltless heavy duty steel wide span shelving with chipboard shelves - 450kg

- Ideal for large and bulky items, suitable for hand loaded storage applications only. • Powder coated finish.
- Starter bays include: 3 chipboard shelves (18mm thick), 6 beams, 2 supporting frames, safety clips and footplates.
- Add-on bays as above, but with 1 supporting frame.
- No bottom beam required, allowing palletised storage underneath. • Shelf capacity: 450kg UDL.
- Bay capacity: 6000kg (subject to the first level being less than 1000mm from the floor). • Extra shelves, taller bays and higher capacity steel shelf levels available on request.
- Self assembly required.
