I Gas cylinder carrier lifting handles

- Colour-coded, pivoting aluminium grab handles for the safe two-man lift of gas cylinder bottles. • Improves lifting posture - less strain. • Suitable for bottles Ø203-375mm - other sizes available on-line.
- Handles fit over the cylinder, positioned above the bottle's centre of gravity.
- When both handles are pulled upwards, the cylinder is securely gripped for safe lifting.
- Lifting Operations and Lifting Equipment Regulations 1998 (LOLER) and CE compliant. • UK made.
