427304RN6	Chemical	113.00

F Spill kit and sign

- Spill response kit which doubles up as a freestanding warning sign.
- Kit includes a 5 litre pouch of powder absorbent granules, a dustpan and brush, a disposable waste bag, a pair of gloves and the spill sign.
- Those granules absorb over 5 times more than any other absorbent and turn liquids into solids, replacement bags are available on page 739.
- The spill is swept away and removed in the caddy for safe disposal.
- Height: 625mm.
