D Little Giant Fortress™ podium step ladder

- Fibreglass & aluminium.
- Combined benefits of a platform ladder and stepladder.
- Extra large standing platform.
- Gated wraparound enclosure with auto-closing gate; shuts automatically when you step in.
- Lightweight, quick-and-easy one person setup.
- Push/pull the platform handle to deploy or fold.
- Ground cue bottom rung; audible and tactile "click," lets you know you've reached the final step of the ladder.
- Innovative tool tray; slots, holes, hooks, and a closable container strong enough to lean on.
- **EN131 Professional.**
