C Little Giant Safety Cage® 2.0 fibreglass

- Access workspaces more quickly and easily than other climbing solutions that would typically require tying-off, scaffolding or lifts.
- Lightweight; suitable for working on weight-limited stages and upper floors.
- Quick and easy one person setup.
- Non-conductive, hi-vis green fibreglass stiles.
- Enclosed Safety Cage® eliminates tie-off requirement.
- Fully enclosed, large work platform with closed edge.
- Adjustable outriggers provide increased side-tip stability.
- Ground Cue® bottom rung alert; audible and tactile "click," lets you know when you've reached the bottom rung.
- Tip & Glide™ wheels with castor lift; lightens the load and allows you to roll the Safety Cage® from place to place, even while fully deployed. Lock in place for secure climbing.
- Compact when folded for easy storage.
- Complies to **EN131-7:2013**.
